Re: Intercounty Engineering

To whom it may concern:

The City of Delray Beach is very pleased to recommend Intercounty Engineering, Inc., as an Engineering Contractor. Our experience with the firm has been very positive and we will continue to contact them for future project needs. The most recent project Intercounty Engineering performed for the City was completed well ahead of schedule, and below budget. We look forward to working with Intercounty in the future.

Sincerely,

Rafael C. Ballestero
Deputy Director of Construction
City of Delray Beach, FL
